

The District 181 Board of Education Announces:

Applicants Welcomed for Facilities Committee Membership

Application Materials Due Friday, Sept. 1

The District 181 Board of Education is seeking parent and community representatives to join its Facilities Committee, which assists in the prioritization of building needs and development of a multi-year Facilities Master Plan.

The application for committee membership is available at the Administration Center and online at www.d181.org > District > Committees. Completed applications are due no later than 4pm on Friday, September 1.
